1. To maintain fairness of the admission process and to minimize any impacts on other applicants, an application cannot be cancelled after the Online Application Period.
2. Application fee may be 100% refunded if the applicant decides to cancel his/her application during the Online Application Period.
3. If an applicant fails to submit the required documents during the Documents Submission period under certain circumstances(natural disaster, issues with Hanyang University, hospitalization of the applicant due to sickness/disease/accident, death of the applicant), the application fee may be 100% refunded after deemed not to compromise the fairness of the admission process. However, after the end of the Documents Submission Period, the application fee is NOT refunded.

* This guideline is originally written in Korean and translated into other languages. The Korean guideline prevails over translated versions if any conflicts occur in the interpretation.
